The Children's Schoolhouse is a Parent Cooperative Preschool. As such, we understand that if our child is enrolled, we have the obligation to give considerable volunteer time and energy in a cooperative effort to strengthen and sustain The Children's Schoolhouse.

If my family is new to the CSH we have enclosed an \$100.00 **non-refundable** application fee with this application. If my child is a returning student or we are an alumni family, we have included a \$75.00 **non-refundable** application fee with this application. Once accepted, I am aware that a **non-refundable** tuition deposit equivalent to one month's tuition is due to secure my child's place on the roster.

Admission and financial aid to any educational programs of The Children's Schoolhouse are designated without regard to ethnic origin or gender.

The Children's Schoolhouse offers a multi-age approach to education and every attempt is made to balance the classroom on a daily basis between gender and age.

The children enrolled in The Children's Schoolhouse must turn three by August 31st, and be potty trained.

The following groups are given priority in the registration process. A lottery will be held if the Schoolhouse receives more applications than openings.

1. All children currently enrolled in the Schoolhouse
2. Siblings of currently enrolled schoolhouse children
3. Alumni children previously enrolled in the Schoolhouse and Siblings of previously enrolled children

All those wishing to take advantage of their priority status must return their application to the Admissions Chairperson during the priority registration period (January – February).

The priority registration sequence will continue after the February deadline as follows:

1. *Culturally Diverse children as identified on the registration card will be given priority up to 10% of our enrolled population. A Cultural Diversity and special needs lottery will take place to fulfill the 10% available positions. A Culturally Diverse child is one who is born in another country, who has one or more parents who were born in another country and came to the United States as an adult, or is at least 1/2 African American, Native American, Alaskan American, American Indian, Asian-American, Hispanic American, Native Hawaiian or Pacific Islander.

For further information regarding the registration process, please refer to the website (www.thechildrenschoolhouse.com).
